AS USED AT SONIC!

COUNTERFEIT DETECTION PENS & SYSTEM

- The Patented Smart Money® Counterfeit Detector Pen has revolutionized counterfeit detection!
- Counterfeit Detector pen is a highly effective and inexpensive tool for detecting bad bills and deterring counterfeiters fro passing phony currency in the first place

COUNTERFEIT DETECTION PEN

- Simply make a small mark on US currency
- An amber mark passes the test, a dark brown or black mark means the bill is probably counterfeit

DON'T RISK HAVING A NON-COATED BULB IN YOUR RESTAURANT!

Light bulbs, lamps and tubes that are used in food processing, storage and production areas are often covered by FDA, USDA and OSHA regulations. These light bulbs are "Safety Coated" so that in the event the glass envelope of the bulb is compromised, shattered or broken, the glass fragments are less likely to spread and are instead contained within their coating.

AXIA FLOOR MATS

SPONGE MATS

It is the most comfortable anti-fatigue mat, and grease and chemical proof. Ideally the mat is used for dry area. However, it also comes with drainage holes for minimal wet application.

- Closed-cell Nitrile Sponge
- Grease Proof
- Light Weight
- Ramped Edges
- Slip Resistant Surface
- Easy to clean

SUGGESTED PLACEMENTS

- Customer service counter
- Workstations
- Cash register
- Food preparation area

Note: Works best in dry areas

Sponge Mats

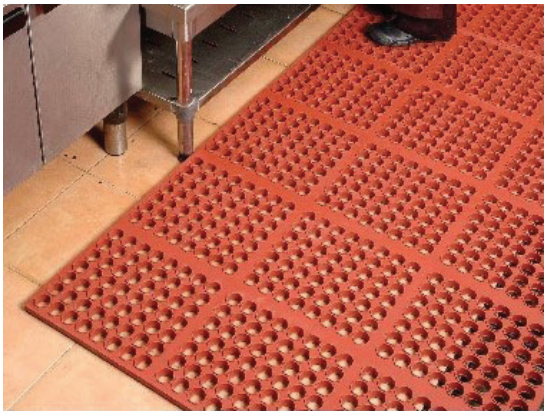

AFS2436B - Small 24" x 36" x 5/8"

AFS3660B - Large 36" x 60" x 5/8"

AFS3660BH - Perforated 36" x 60" x 5/8"

Sponge Mat Runner

EF0312B - 3' x 12' Long Runner 31 lb

PREMIUM BEVELED EDGE MATS

This mat's unique mold design contains large transition edges to significantly reduce tripping. Perfect for stand-alone workstations.

- Size: 36″ x 60″
- Easy handling
- Excellent value
- Wide beveled edge for easy cart access & stability
- Excellent drainage design
- Single-use work station

Standard Duty - 3/8" Thick
